

# AKRO-MILS CANADA CARTS

## Non-Tipping Carts for Large, Medium-Weight (up to 450 lbs.) Jobs.

Eliminate lifting, carrying and hand emptying of buckets or barrels. Quality features include: polyethylene container, 16-gauge zinc-plated steel tubing frame, and latch bars that extend around the frame for added strength. Joints are riveted and Heavy Duty 90 gal. joints are welded. All carts are compatible with Hydraulic Akro-Lift. Three models: Medium Duty 60 and 90 gal. capacities, and Heavy Duty 90 gal. capacity. All are available with or without a piano hinged lid which props open during use.

All carts available in: Gray (Black Lid), Blue (Blue Lid), and Green (Green Lid).

Heavy-duty piano hinge keeps lid propped open during use.

Frame is made from 16-gauge zinc-plated steel tubing.

Make transport and disposal within a facility fast, safe and clean. Akro-Mils Akro-Carts, Akro-Tilt Trucks and Hydraulic Akro-Lift for emptying create a complete collection, transport and disposal system that will save you time and money.

1. Wide mouth and low profile for easy loading.
2. Caster wheel balances the load making cart easy to push or pull.
3. Convex shape lid for strength and overpacking.

Akro-Cart 60 Medium Duty

Akro-Cart 90 Medium Duty

Akro-Cart 90 Heavy Duty

Wheels and Axles: Akro-Cart Med. Duty 60 and 90 gal. feature 12" dia. wheels, high-impact plastic hubs with semi-pneumatic tires, and 16-gauge zinc-plated steel tubing axle.

Wheels and Axles: Heavy Duty 90 gal. features 5/8" dia. solid steel shaft axle.

## SPECIFICATIONS

Please specify colors when ordering.

\*Optional Carts ordered without lids cannot have lids added after production.

Single units are shipped completely assembled.

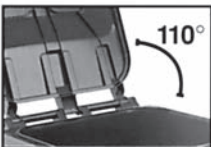

When multiple units are ordered, lids are shipped separately and require assembly.

Patented design allows carts to nest with installed lids and latchbars for compact shipping and storage

Foot Tilt Pocket molded above axle for maximum leverage and utility

Option: Lids can be ordered with patented latch feature to restrict full opening to 110 degrees

# MegaKart®

- 65 and 96-Gallon carts designed for residential waste management.
- Compatible with automated and semi-automated systems.
- Attached lid swings out of the way for easy dumping.
- Injection molded for exceptional durability and cost effectiveness
- Can be stacked and transported with factory-installed lids and latch bars.
- Resists damage from oil and most chemicals, engineered for rigidity and strength.
- Colours: Dark Green, Dark Blue, Light Gray.

Molded-in ergonomic handles for ease of handling

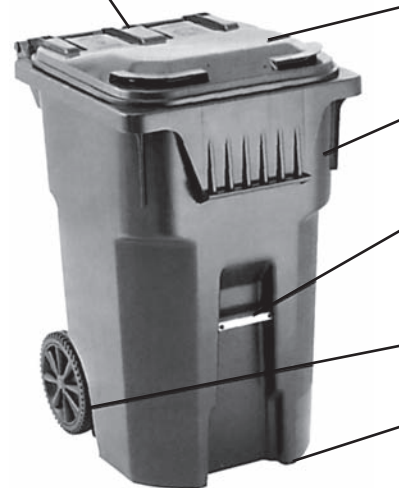

Domed lid repels water and allows over-packing

Textured corners have non-slip, non-marring surfaces for automated lift systems

1" tubular latch bar for use with semi-automated lift systems

HDPE snap-on style wheels

Scuff rails molded in the base for added durability
