B Box	30 x 60	321-3060	95	322-3060	130

APPLIANCE TRUCKS

Large, bulky appliances are easily moved with these rugged, light weight, tubular steel constructed trucks. Vinyl bumpers on the face of trucks prevent damage to appliances. Balanced, 60"H frame provides added leverage for easier guiding and mobility (vending machine mover model 1284V is 72"H for additional control).

Heavy duty continuous stair climbers on all models for easy climbing or descending of stairs or curbs. 5 1/2" x 24" nose plate on all units. 8" wheels 800 lb. cap.

Model No.	Ratchet System	Wt. Lbs.
1284EC	Eccentric	50
1284AR	Auto Rewind	52
1284	Standard Ratchet	52
1284V	Standard Ratchet	93
