### Rubbermaid Ash/Trash Containers

The perfect solution for your heavy traffic areas such as entrances, lobbies, malls or vending areas. These large capacity combination ash/trash containers will hold more refuse than other conventional containers. Rugged Duramold® structural foam body won't dent or scratch and is unaffected by most chemicals. The brush stainless steel ashtray top can be permanently attached to container or left loose for easy lift off. Choose the 15 or 21 gallon model with or without doors. Standard colours: Beige and Brown. Rigid liners are optional accessories.
