

## WIRE RACK DECKS

Rugged and dependable, Rack Decking is fast and simple to install. Rack Decking is available in standard sizes to fit new or existing racks or can be made to suit your application.

**Strength:**

Wire mesh construction is lightweight yet gives great strength.

**Fire Protection:**

Allows air circulation and complete effectiveness of overhead sprinkler systems.

**Clean:**

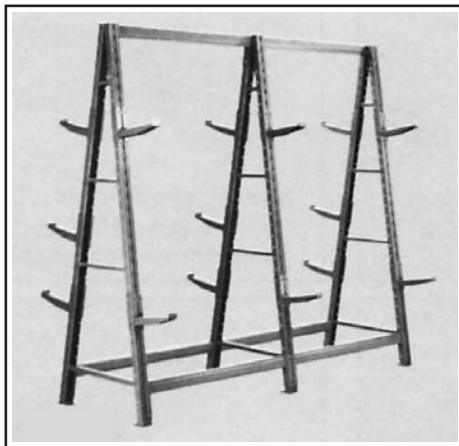

Doesn't collect dust or debris.

**Handling:**

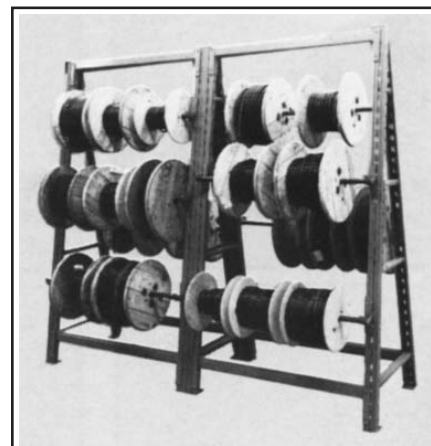

Top mesh wires run front to back so that items slide easily into position.
