

# FIBREBOARD BINS AND RACKS

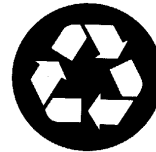

## CORRUGATED PARTS BINS AND DIVIDERS

Corrugated fibreboard parts bins and dividers are ideal for storing any loose small parts. These economical standard duty bins are constructed of durable corrugated fibreboard, and are assembled easily without staples or tape; just fold and they hold. Bins are designed to hang from the shelf above for hands-free access. Available in depths of 12" and 18", and in widths ranging from 2" to 12". 3<sup>5</sup>/<sub>8</sub>" deep bin dividers are available in all widths. Shipped knocked down.

Standard Corrugated Bins & Dividers

Removable Dividers ease handling
