

POLYETHYLENE BOX TRUCKS

Model No. 750B

HEAVY DUTY STARCARTS

The new generation of Starcarts were designed to increase load capacity while maintaining ease of mobility. The 12" diameter semi-pneumatic wheels are made of durable hard rubber. Model 730B and 750B has 5" swivel rubber casters and Model 770B has 6" heavy duty swivel phenolic casters. Rotationally molded 100% polyethylene body with a doublewall box style lip for greater resistance to impact. Steel undercarriage improves Starcart's strength and load capacity. Molded handles give the operator a better grip for easier maneuverability.

Model No.	Volume		Overall Dim.				Capacity Lbs.	Wt. Lbs.	
	Bu.	Cu. ft.	L"	x	W"	x			H"

APPLIANCE TRUCKS

Large, bulky appliances are easily moved with these rugged, light weight, tubular steel constructed trucks. Vinyl bumpers on the face of trucks prevent damage to appliances. Balanced, 60"H frame provides added leverage for easier guiding and mobility (vending machine mover model 1284V is 72"H for additional control).

Heavy duty continuous stair climbers on all models for easy climbing or descending of stairs or curbs. 5 1/2" x 24" nose plate on all units. 8" wheels 800 lb. cap.
