

## INDUSTRIAL SPRAYS

8091

### #8091 HEAVY DUTY PERMANENT ADHESIVE

Aggressive holding power! A super-tough formula that holds heavier objects with a strong, instant grip. For those that require more, coat both surfaces. High shear and peel strength with good initial grab.

#### Applications

Wood, paper, glass, plastics, vinyl used by asbestos abatement contractors.  
#8091 320 grams aerosol

### #7090 BOX SAVER

Spray covers old box print and dries quickly. Cartons look brand new. Great cover capacity; no rub-off. Saves money on miscellaneous packing jobs.

#### Cost Effective

The surface appears to be just like new and can then be re-stenciled or labeled. A real money saver! Re-use cartons or salvage carton overruns ... also enables product switching from one carton to another.

#7090 328 grams aerosol (tan)

7090

7007

### #7007 COLD GALVANIZING COMPOUND

The best long-term rust protection you can buy. 93% Zinc-rich coating is electrochemically fused to iron and steel.

Equal to hot dip galvanizing

Aerosol will not clog or sputter
