

BUBBLE WRAP

PolyCap® R Recycled heavy duty barrier cushioning material

Antistatic: 20% upcharge.

Slitting: No upcharge.

C-220 - Minimum slit available is 4"

T-220 & D230: Minimum slit available is 6"

For Void Fill

- Efficient dunnage: less material required to fill a void versus loose fill.
- Reduces damage: compression resistant, continues to hold product securely over time and pressure, packaged product will not move or migrate.
- Lowers shipping costs: air filled bubbles are lighter versus comparable cushioning materials.
- Clean and non-dusting: eliminates product contamination and no clean up is required.
- Aesthetic appeal: professional appearance for customer acceptance.
- Can be re-used: nylon barrier provides long-lasting air retention.

For Cushioning

- Increased cushioning performance: bubbles with a nylon barrier retain air longer than non-barrier bubbles.
- Saves labour: flexible bubbles readily conform to a variety of shapes, providing faster, easier wrapping.
- Lowers shipping costs: bubbles are lighter than comparable materials.

For Surface Protection

- Protects against damage: non-abrasive bubbles eliminate marring and scratching of delicate surfaces.
- Greater tear strength and puncture resistance: stretches and conforms around objects preventing corner cut-through compared to foam and paper products.
- Improves quality control: transparent bubbles allow verification package contents without unwrapping.

Standard Stock Sizes

Item number	Description	Size
PK-SA-BU-1001	C-220 bubble wrap	3/16" x 48" x 750'
PK-SA-BU-1002	C-220 bubble wrap	3/16" x 48" x 750' - slit 12"
PK-SA-BU-1003	C-220 bubble wrap	3/16" x 48" x 750' - slit 16"
PK-SA-BU-1004	C-220 bubble wrap	3/16" x 48" x 750' - slit 24"
PK-SA-BU-2001	T-220 bubble wrap	5/16" x 48" x 375'
PK-SA-BU-2002	T-220 bubble wrap	5/16" x 48" x 375' - slit 24"
PK-SA-BU-3001	D-230 bubble wrap	1/2" x 48" x 250'
PK-SA-BU-3002	D-230 bubble wrap	1/2" x 48" x 250' - slit 12"
PK-SA-BU-3003	D-230 bubble wrap	1/2" x 48" x 250' - slit 24"
PK-SA-BU-3009	D-230 A/S bubble wrap	1/2" x 48" x 250'
