

# BAR-LOK® CABLE TIE PRODUCTS

## INNOVATIVE PRODUCTS.

The Fastener Division entered the cable tie market over 25 years ago by developing innovative products through our unique stretching process. Some of the unique products we have developed over the years include Super Bar-Lok® Ladder Tie, and Secur-A-Tie®

Super Bar-Lok® cable ties are stronger, weigh less, and are more flexible than conventional cable ties. A large capital equipment manufacturer uses them to hold hoses in the engine area. They chose Super Bar-Lok® because this product resists petro-chemicals better than traditional cable ties and holds up better in high vibration environments.

## ACCESSORY PRODUCTS

Cable tie mounts stabilize and secure wiring bundles in a variety of applications
