

# FILAMENT TAPES

## Filament/MOPP Tapes

Intertape® fiberglass reinforced Filament Tapes deliver superior adhesion for a variety of light to medium load applications. Intertape® MOPP Strapping Tapes are a mono-oriented *tensitized* polypropylene for light duty strapping, palletizing and bundling.

		Thickness (mils)	Elongation (%)	Adhesion (oz/in)	Tensile (lb/in)	Adhesive Type
<b>Utility Grade</b>						
<b>RG-300</b>	Non-critical light-duty packaging & strapping . . . . . BOPP (Bi-Axially Oriented Polypropylene backed)	4.0	3.0	48	100	Solventless SIS
<b>788</b>	Light-duty strapping applications . . . . . Excellent abrasion & moisture resistance, PET (Polyester backed)	4.9	3.0	36	105	Solvent NR
<b>General Grade</b>						
<b>RG-303</b>	Medium-duty applications. Moderate tensile strength, BOPP . . . . . Unidirectional fiberglass filaments	4.2	3.0	49	131	Solventless SIS
<b>RG-3</b>	Multi-purpose. <b>THE INDUSTRY WORKHORSE!</b> . . . . . For light/medium-duty use, PET	4.9	3.0	41	131	Solvent NR
<b>Medium Grade</b>						
<b>RG-315</b>	Medium tensile strength strapping, unitizing & packaging tape, BOPP	4.5	4.0	49	175	Solventless SIS
<b>RG-15</b>	Designed for medium-duty, strapping, bundling, and palletizing, PET . .	5.6	4.0	39	175	Solvent NR
<b>RG-12</b>	Rugged performance & elegant appearance . . . . . For medium/heavy-duty use, PET	6.2	4.0	40	275	Solvent NR

## Better Packages Electronic Pressure-Sensitive Tape Dispenser

### Better Pack® PS2A

Compact, Table-Top Dispenser Built to Perform

The PS2A is a compact table-top Electronic Pressure-Sensitive Tape Dispenser that delivers automatic tape dispensing precision. The dispenser can utilize various pressure-sensitive tapes including masking tape and strapping tape, making it ideal for sub-assembly areas and small, light package sealing.

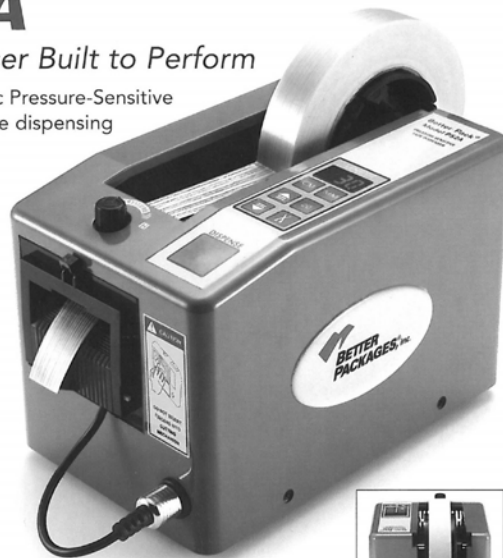

MF1, 1" Filament Tape Dispenser

LED display and smooth-touch key pad

CSA Approved

Back view

#### Technical Elements

- Replaceable fuse.
- Dispenser size is 8 1/2"L x 5 1/2"W x 6"H.
- Compatible with tape widths of 1/4" to 2".
- Maximum roll size is 7" in diameter.
- Tape length dispensed ranges from 20mm to 999mm.
- Size indications can be easily viewed by 3 digit LED display.

Item number	Description	Size	Quantity
PK-TP-FI-1001	#RG300 – filament tape	12mm x 55m	72/cs
PK-TP-FI-1002	#RG300 – filament tape	18mm x 55m	48/cs
PK-TP-FI-1003	#RG300 – filament tape	24mm x 55m	36/cs
PK-TP-FI-1004	#RG300 – filament tape	48mm x 55m	24/cs
PK-MI-DI-1005	#03266 – 1" metal filament tape dispenser
