ROUSSEAU, WORKING WITH YOU SINCE 1950

Our **Personalized Global Tech Workcenter** is an excellent choice for your technicians because our team has designed and engineered it with your needs in mind. Our goals are to **understand your priorities, create and make improvements**, and to give you the **freedom to choose your own solution**.

Rousseau invests a great deal in **product development**, modernizing our equipment, and acquiring the **latest technology** and most qualified personnel.

We offer **storage solutions** that can be easily adapted for **both service and parts departments**.

Complexe Volkswagen 440 (QC)

Why choose Rousseau ?

Our **quality, performance** and the “**small details**” that make all the difference.

Our cutting edge technology enables us to offer the highest quality products in terms of concept, manufacturing and finishing, while also ensuring that **modularity, design and personalized requirements** are never compromised.

Our expertise. Rousseau has been providing the best storage solutions for **more than 65 years!**

ROUSSEAU EXPERTISE

Flexibility! Quality! Know-how!

All of our products are designed, manufactured and rigorously tested in North America to meet the highest standards of engineering and quality.

Our specialists are available to help through each phase of your projects. They have the experience and technical knowledge to recommend the configurations that best suit the needs and requirements of your individual dealership.

The Rousseau tool drawer rolling mechanism is covered by a lifetime warranty
