COMPUTER STATION

COMPUTER STATION

With our vast range of products and accessories, you can create a customized computer station tailored to your needs.
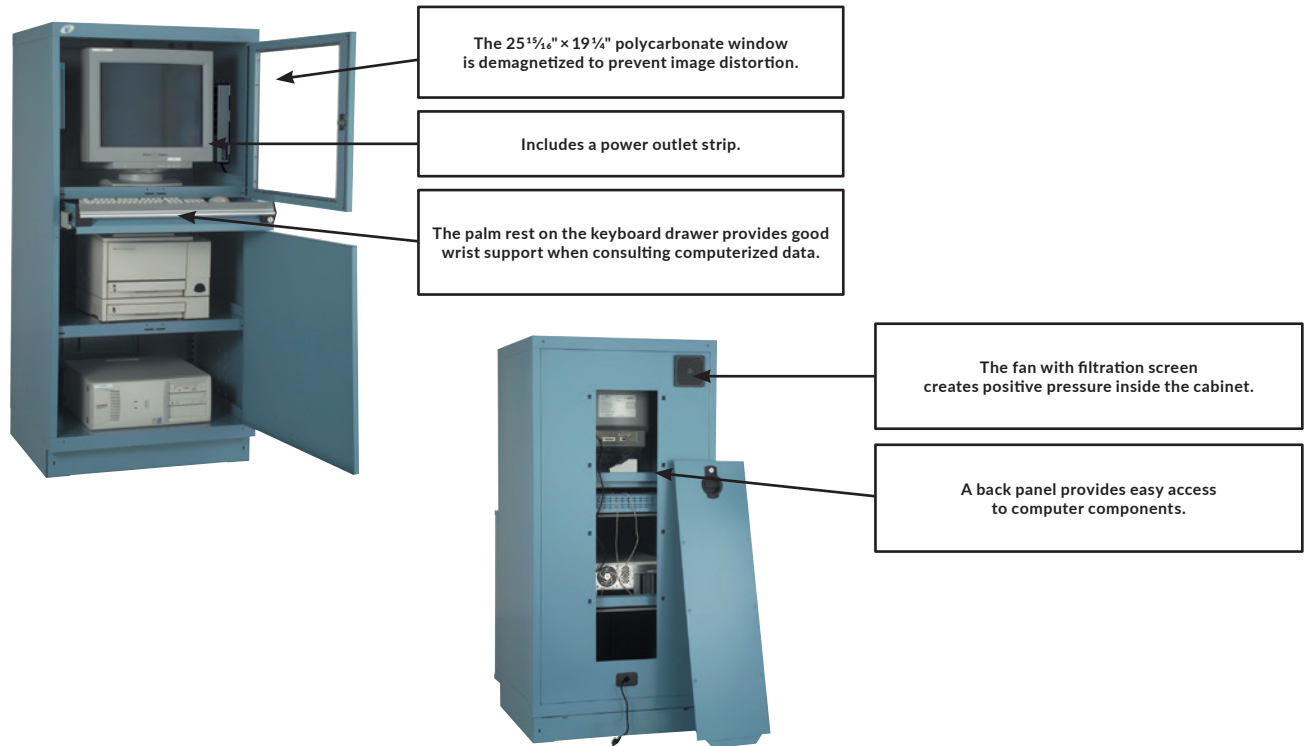

Whether you need a simple computer cabinet, look-up station or fully-equipped workstation with extra storage and accessories, we have the ideal solution.

Our products are designed for industrial use (production floor, packing, maintenance and repair, machine shops, etc.), but their attractive design also lends themselves to office environments (laboratories, electronics and IT environments, etc.).

COMPUTER CABINET

Rousseau computer cabinets provide protection for computer equipment.
The fan with filter help to remove heat from the unit.

The 25$^{15}/_{16}$" × 19$^{1}/_{4}$" polycarbonate window is demagnetized to prevent image distortion.

Includes a power outlet strip.

The palm rest on the keyboard drawer provides good wrist support when consulting computerized data.

The fan with filtration screen creates positive pressure inside the cabinet.

A back panel provides easy access to computer components.

WALL-MOUNTED COMPUTER CABINET

Our wall-mounted computer cabinet is an interesting alternative to conventional computer cabinets. You can choose from various door and keyboard tray configurations to meet your specific requirements.

The fan with filtration screen creates positive pressure inside the cabinet.

The monitor mount creates room for a CPU and LCD monitor in the same space.

18"

The 18⅞" × 14⅛" polycarbonate window protects the monitor and is also demagnetized to prevent image distortion.

Includes a power outlet strip.

The keyboard and mouse tray can be tucked away under the cabinet when not in use.
